ANTHONY GREENWELL

(209) 276 5896

ant.greenwell2@gmail.com

San Jose, CA

ABOUT ME

I'm a full-stack web developer with a passion for creating seamless user experiences and thoughtfully designed interfaces. I specialize in Javascript but I also love to learn and get joy out of picking up new technologies.

EDUCATION

Full-Stack Web Developer Immersive, General Assembly
San Francisco, CA — April, 2018 - October, 2018

Built a strong understanding of HTML5, CSS3, Javascript, Bootstrap, React and other frontend frameworks and libraries. Also learned techniques for backend technologies like Node.js, MongoDB, Rails, and more.

Computer Science AS, San Jose City College
San Jose, CA — August, 2019 - Present

Taking classes towards an Associates of Science degree in Computer Science. Also taking classes to further my abilities in web development and administrative business.

SKILLS

React.js	jQuery	HTML5
CSS3 & SCSS	Node.js	Bootstrap
Material Design	REST API	MongoDB
Github	Express.js	Photoshop
Adobe XD	Sketch
